[...] The book contains much material that has not previously appeared in this format. The writing is clean and clear and the exposition is well motivated. Elements of Operator Theory Carlos S. Kubrusly, 2013-03-14 {it Elements of Operatory Theory} is aimed at graduate students as well as a new generation of mathematicians and scientists who need to apply operator theory to their field. Written in a user-friendly, motivating style, fundamental topics are presented in a systematic fashion, i.e., set theory, algebraic structures, topological structures, Banach spaces, Hilbert spaces, culminating with the Spectral Theorem, one of the landmarks in the theory of operators on Hilbert spaces. The exposition is concept-driven and as much as possible avoids the formula-computational approach. Key features of this largely self-contained work include: * required background material to each chapter * fully rigorous proofs, over 300 of them, are specially tailored to the presentation and some are new * more than 100 examples and, in several cases, interesting counterexamples that demonstrate the frontiers of an important theorem * over 300 problems, many with hints * both problems and examples underscore further auxiliary results and extensions of the main theory; in this non-traditional framework, the reader is challenged and has a chance to prove the principal theorems anew This work is an excellent text for the classroom as well as a self-study resource for researchers. Prerequisites include an introduction to analysis and to functions of a complex variable, which most first-year graduate students in mathematics, engineering, or another formal science have already acquired. Measure theory and integration theory are required only for the last section of the final chapter.

Tragedias y Dolor para un Milagro de Amor José Ramón Jiménez, 2020-06-29 Esta es una historia de tres generaciones que se ven envuelto en tragedia de sufrimiento y dolor para convertirse todo en progreso y amor. Todo

comenzó como un gozo y alegría. Convirtiéndose en un infierno de mala suerte. Para ellos y los descendientes de ellos. Ellos murieron en un accidente automovilístico pero dejaron una hija que fue el comienzo de la segunda generación y su nombre fue Martha. La pusieron en una casa de adopción y ella fue adoptada en dos ocasiones. Terminando criándose en una institución de niños huérfanos y abandonados. Ella fue violada por el cocinero de la institución cuando ella tenía catorce años. Ella luego tuvo un niño de esa violación y el cocinero al ser descubierto, se ahorcó. Ella murió en el hospital de complicaciones de su anterior embarazo. Entonces, el niño, al nacer vino siendo la tercera generación. La directora de esa institución odiaba tanto a Martha como a su hijo. Pero la directora, cuando Martha murió, el diagnóstico que le dieron de su muerte no le agradó. La directora puso al abogado de la institución para que se encargara del caso. Y el abogado rápido actuó, encontrando la verdadera razón y demandando al hospital por una fuerte suma de dinero. Luego la directora, quien era egoísta y ambiciosa, creía que iba a disfrutar de ese dinero. Pero el señor juez puso el dinero en una cuenta del banco para cuando el niño sea mayor de edad. El niño se escapó de la institución a la edad de doce años. Y si ustedes quieren saber todas las demás escenas existentes que ocurrieron en el transcurso del libro tendrán que leer el libro.

Emanuel Graciela Padilla De Amador, 2012-01-09 Por amor a Dios y a todos sin excepción, empezaré por decir a ustedes que éste libro, que hoy se presenta, lo escribí con uno y varios fines, el primero: la obediencia y otro de ellos: conducir a mis lectores hacia la verdadera fuente de la Palabra Divina, la Biblia o Dios. Escribe un libro se me dijo por escrito y en la Biblia misma; sentí que era para mí el mensaje. Entre sorprendida y asustada, volví a abrir la Sagrada Escritura, apareció un segundo mensaje y así hasta completar un corto diálogo mental, en el que Él ordenó y yo contestaba..... el cuál figura en las primeras páginas de éste volumen. Me entregué a su escritura de mañana, noche o madrugada. Cuatro veces escribí la historia del Pueblo de Dios, porque Él así lo quiso y permitió una manuscrita, la segunda a máquina, la tercera en computadora y la cuarta: lo imprimí. Siempre puliendo y repuliendo lo ya escrito. Hubo momentos en que sentía un escalofrío o como hormigueo que recorría mi ser, lo percibía como aprobación. Aquello me daba ánimos para continuar. Al principio pensé concretarme únicamente a las mujeres de la Santa Historia, pero me di cuenta que Él quería algo más. Escribiré la historia de tu Pueblo Padre, ayúdame. Yo hablaba con el pensamiento. Investigué primero en la Sagrada Biblia, en amarillos y empolvados libro viejos, toqué puertas, me introduje en el texto hasta su propia médula y la pluma corría por las hojas. Me adentré en la historia como supongo los pintores se introducen en el paisaje que pintan y hasta pueden percibir el perfume de las orejas silvestres de su propio cuadro, o los escultores sienten los latidos de los cuerpos que modelan. No soy muy buena escribiendo, pero lo hice con tanto amor y fe y eso es lo que es éste libro: un mensaje de amor y fe.

El Placer de Tan Malos Tiempos Andrés Rodriguez Robles,2012-10 Esta historia, está llena de duros y desgraciados acontecimientos, pero también, es una historia llena de dulzura, felicidad y sosiego, de acuerdo con los tiempos, que en cada momento acontecían; creo que es una historia donde el lector puede sentirse reconfortado, feliz y hasta identificado en muchos de los puntos de vista. Son muchas las cosas que han ocurrido, en este y otros países, que la gente se ha olvidado; si todos y cada uno de nosotros, echáramos de vez en cuando la vista atrás para recordar, quienes fueron nuestros ancestros. De donde procedemos y de quien. Como fuimos. Como somos y en qué nos hemos convertido; podéis tener la seguridad, de que todos y cada uno de nosotros, seríamos mucho más ricos en valores humanos; valores estos de los cuales cada día carecemos más. La historia de los pueblos y la propia de cada uno de nosotros, es el legado más valioso, que el ser humano puede tener.
