**Cronica de Un Reencuentro** Oscar Silva,2012-09 Hay veces que pienso: ¿qué es lo que yo pienso? Otras me pregunto: ¿qué es lo que yo siento? Cuando tú te marchas luego de chatear, me quedo mirando las últimas letras del último beso que tú me dejaste antes de partir. ¿Qué es lo que pretendo? ¿Qué más puedes darme que este amor virtual? Son letras que juntas se

agrupan, se mandan en forma de bits, desde mi pantalla caen hasta la tuya, y así continúa un amor digital. Me quedo mirando las últimas letras del último beso que tú me dejaste al irte a dormir. Para acurrucarte donde corresponde en cálido abrazo de un amor real. Me siento un ingenuo pensando, sintiendo, que, acaso, te tengo, que me perteneces de alguna manera. Cuando lo que tengo es sólo un teclado del que brotan letras que forman palabras y que, amontonadas, en forma de bits, saltan de una punta a otra del planeta, con besos, caricias, con tiernos deseos de un amor virtual.

**Gaturro - Te Quiero mucho, Mamá Nik, 2007**

*Romantic Love in Cultural Contexts* Victor Karandashev, 2016-12-24 This volume presents a conceptual, historical, anthropological, and sociological review of how culture affects our experience and expression of romantic love. What is romantic love and how is it different from and similar to other kinds of love? How is romantic love related to sex and marriage in human history and across contemporary cultures? What cultural factors mediate attraction in love? These are some of the questions the volume explores through its interdisciplinary yet focused lens. Much of the current research evidence suggests that love is a universal emotion experienced by a majority of people, in various historical eras, and in all the world's cultures. Yet, love displays in different ways because culture has an impact on people's conceptions of love and the ways they feel, think, and behave in romantic relationships. This volume summarizes classical knowledge on love and culture while at the same time focusing sharply on recent studies and cutting-edge research that has advanced the field. Divided into three parts, the volume begins by defining and analyzing the concept of romantic love and interdisciplinary approach to its study in cultural context. Part II traces the origin and evolution of romantic love both in various places throughout the world and various time periods throughout history. Part III presents the revolutionary expansion of romantic love ideas and practices in the late 20th and early 21st centuries in various parts of the world, focusing particularly on the development of romantic love as a cultural ideal of the modern cultures. Finally, the book concludes by summarizing the major achievements in this field of study and predicts future development. A timely and thoughtful addition to the literature, *Romantic Love in Cultural Contexts* delivers thought-provoking insights to researchers in relationship scholarship, sociology, anthropology, and cultural studies, and all those interested in the universal human concept of love. Overall I find Dr. Victor Karandashev is an excellent and fine scholar who has a firm grasp of both the fundamental principles of cross-cultural research and of anthropology. In our increasingly connected world *Romantic Love in Cultural Contexts* updates and adds to the descriptions and explanations of similarities and differences in romantic love across generations and cultures. Romantic love encompasses the life span, rather than being a phenomenon largely confined to youthful years. The topic of this project concerns the deepest of our sentiments and pervades life from birth to death. This book contributes to better knowledge of this phenomenon across generations.
