Pietsie Feenstra

Enemies of the Later Roman Order Micha Stachura, 2019-02-05 This book considers the presence of language aggression in postclassical Roman law. It seeks out particular ideologically charged terms in the relevant articles of law, focusing on those who are regarded as enemies of the state.

Woman in Battle Dress Antonio Benítez-Rojo, 2015-09-21 Finalist for the 2016 PEN Center USA Award for Translation In 1809, at the age of eighteen, Henriette Faber enrolled herself in medical school in Paris—and since medicine was a profession prohibited to women, she changed her name to Henri in order to matriculate. She would spend the next fifteen years practicing medicine and living as a man. Drafted to serve as a surgeon in Napoleon's army, Faber endured the horrors of the 1812 retreat across Russia. She later embarked to the Caribbean and set up a medical practice in a remote Cuban village, where she married Juana de León, an impoverished local. Three years into their marriage, de León turned Faber in to the authorities, demanding that the marriage be annulled. A sensational legal trial ensued, and Faber was stripped of her medical license, forced to dress as a woman, sentenced to prison, and ultimately sent into exile. She was last seen on a boat headed to New Orleans in 1827. In this, his last published work, Antonio Benítez Rojo takes the outline provided by historical events and weaves a richly detailed backdrop for Faber, who becomes a vivid and complex figure grappling with the strictures of her time. *Woman in Battle Dress* is a sweeping, ambitious epic, in which Henriette Faber tells the story of her life, a compelling, entertaining, and ultimately triumphant tale. Praise for *Woman in Battle Dress* *Woman in Battle Dress* by Antonio Benítez-Rojo, which has been beautifully translated from the Spanish by Jessica Ernst Powell, is the extraordinary account of an extraordinary person. Benítez-Rojo blows great gusts of fascinating fictional wind onto the all but forgotten embers of the actual Henriette Faber, and this blazing tale of her adventures as a military surgeon and a husband and about a hundred other fascinating things is both something we want and need to hear.—Laird Hunt, author of *Neverhome* A picaresque novel starring an adventurous heroine, who caroms from country to country around the expanding Napoleonic empire, hooking up with a dazzling array of men (and women) as she goes. A wild ride!—Carmen Boullosa, author of *Texas: The Great Theft* As detailed as any work of history and as action filled as any swashbuckler, *Woman in Battle Dress* is not only Antonio Benítez Rojo's last and most ambitious book, but also his masterpiece. In this graceful English translation of Henriette Faber's autobiography—more than fiction, less than fact—American readers will have access to one of the most

engaging novels to come out of Latin America in recent years.—Gustavo Pérez-Firmat, Columbia University Antonio Benítez-Rojo (1931–2005) was a Cuban novelist, essayist and short-story writer. He was widely regarded as the most significant Cuban author of his generation. His work has been translated into nine languages and collected in more than 50 anthologies. One of his most influential publications, *La Isla que se Repite*, was published in 1989 by Ediciones del Norte, and published in English as *The Repeating Island* by Duke University Press in 1997. Jessica Powell has translated numerous Latin American authors, including works by César Vallejo, Jorge Luis Borges, Ernesto Cardenal, Maria Moreno, Ana Lidia Vega Serova and Edmundo Paz Soldán. Her translation (with Suzanne Jill Levine) of Adolfo Bioy Casares and Silvina Ocampo's novel *Where There's Love, There's Hate*, was published by Melville House in 2013. She is the recipient of a 2011 National Endowment for the Arts Translation Fellowship in support of her translation of Antonio Benítez Rojo's novel *Woman in Battle Dress*.

New Mythological Figures in Spanish Cinema Pietsie Feenstra, 2011 In the 1970s, especially after Franco's death in 1975, Spanish cinema was bursting at the seams. Numerous film directors broke free from the ancient taboos which had reigned under the dictatorship. They introduced characters who, through their bodies, transgress the traditional borders of social, cultural and sexual identities. Post-Franco cinema exhibits women, homosexuals, transsexuals, and delinquents in new and challenging ways. Under Franco rule, all of these dissident bodies were 'lost'. Here, they reflect new mythological figures, inhabiting an idealised body form (a prototypical body).

The Crow: Curare James O'Barr, 2013 Graphic Novel. Retired Detroit police officer Joe Salk was a good cop, but after a little girl's murder, his wife left him because of his obsession to find her killers. Now completely alone, his need for revenge might just be helped by the young victim, returned and empowered by the spirit of vengeance, the Crow...

CEO Branding Marc Fetscherin, 2015-06-19 CEO Branding advances our understanding of the importance and impact that CEOs have on companies. In recent years, there has been a growing body of interdisciplinary literature on this powerful aspect of branding, and Fetscherin has invited a leading panel of international scholars and practitioners to contribute original chapters in their area of expertise. The book introduces the concept of the CEO as a brand, and outlines the 4Ps of this branding mix – the CEO (person), personality, prestige (reputation), and performance. It discusses the CEO branding process, and demonstrates the many ways in which this 'human brand' affects the company in financial terms (such as performance, profit, and stock returns), as well as non-financial terms (reputation, trust, and firm strategy). The book also includes 'lessons learned' and many examples that illustrate how companies can measure and manage the CEO brand. This comprehensive, authoritative volume will give students, researchers, marketing and communication managers, and CEOs themselves a thorough understanding of all aspects of the CEO brand. A must read for any CEO who is serious about developing, managing and measuring their own brand. For more information, visit www.ceobranding.org

Principles and Practice of Forensic Psychiatry Robert Bluglass, 1990

The Precarious M. Catherine de Zegher,1997 Two works in one. this is an exquisite art book offering the first comprehensive treatment of Vicuna's work in English.

Vita João Biehl,2013-05-01 Zones of social abandonment are emerging everywhere in Brazil's big cities—places like Vita, where the unwanted, the mentally ill, the sick, and the homeless are left to die. This haunting, unforgettable story centers on a young woman named Catarina, increasingly paralyzed and said to be mad, living out her time at Vita. Anthropologist João Biehl leads a detective-like journey to know Catarina; to unravel the cryptic, poetic words that are part of the dictionary she is compiling; and to trace the complex network of family, medicine, state, and economy in which her abandonment and pathology took form. An instant classic, *Vita* has been widely acclaimed for its bold fieldwork, theoretical innovation, and literary force. Reflecting on how Catarina's life story continues, this updated edition offers the reader a powerful new afterword and gripping new photographs following Biehl and Eskerod's return to Vita. Anthropology at its finest, *Vita* is essential reading for anyone who is grappling with how to understand the conditions of life, thought, and ethics in the contemporary world.

Producing for TV and New Media Cathrine Kellison,2012-09-10 Producing for TV and New Media provides a comprehensive look at the role of the Producer in television and new media. At the core of every media project there is a Producer who provides a wide array of creative, technical, financial, and interpersonal skills. Written especially for new and aspiring producers, this book looks at both the Big Picture and the essential details of this demanding and exhilarating profession. A series of interviews with seasoned TV producers who share their real-world professional practices provides rich insight into the complex billion-dollar industries of television and new media. This type of practical insight is not to be found in other books on producing. This new edition now covers striking developments in new media, delivery systems, the expansion of the global marketplace of media content.

Sick Fux Tillie Cole,2017-10-08 When Ellis Earnshaw and Heathan James met as children, they couldn't have been more different. Ellis was loud and beautiful - all blond hair, bright laughs and smiles. Heathan was dark and brooding, and obsessed with watching things die. The pair forged an unlikely friendship, unique and strange. Until they were ripped apart by the sick cruelty of others, separated for years, both locked in a perpetual hell. Eleven years later, Heathan is back for his girl. Back from a place from which he thought there was no return. Back to seek revenge on those who wronged them. Time has made Heathan's soul darker, polluted with hatred and the thirst for blood. Time has made Ellis a shell of her former self, a little girl lost in the vastness of her pain. As Heathan pulls Ellis out of her mental prison, reviving the essence of who she once was, down the rabbit hole they will go. With malice in their hearts and vengeance in their veins, they will seek out the ones who hurt and destroyed them. One at a time. Each one more deadly than the last. Tick Tock. Dark Contemporary Romance. Contains explicit sexual situations, violence, disturbingly sensitive and taboo subjects, offensive language and very mature

topics. Recommended for ages 18 and over.

Riots, Coups and Civil War: Revisting the Greed and Grievance Debate ,

Spit Temple Cecilia Vicuña, 2012 Poetry/Performance. Latino/Latina Studies. Art. Edited by Rosa Alcalá. SPIT TEMPLE collects texts and transcriptions of Vicuña's uncategorizable improvised performances, which combine singing, movement, chants, and stories. Also included are a critical introduction by Rosa Alcalá, a poetic memoir by Vicuña (translated by Alcalá) addressing her life

The Invention of Sodomy in Christian Theology Mark D. Jordan, 1998-10-15 In this reexamination of what it means to have a tradition, Catholic and otherwise, Mark D. Jordan offers a powerful and provocative study of the sin of erotic love between men. The Invention of Sodomy reveals the theological fabrication of arguments for categorizing genital acts between members of the same sex.

Saborami Cecilia Vicuña, 2011 Poetry. Latino/Latina Studies. Art. First published in 1973, two months after the military coup in Chile, Cecilia Vicuña's SABORAMI is a document of the times and the way in which history can change art. It is filled with the urgent hope that art, too, can change history. Put together when Vicuña was just twenty-five years old, the poems, paintings, and objects of SABORAMI enact a complex and multidimensional conversation. The meanings of the works (which were created over a seven year period) shifted radically after the events of September 11, 1973. Their meanings continue to shift and resonate in light of political events today. This recreation of the original SABORAMI is published with a new afterword Vicuña wrote especially for this edition.

Historia mínima. La cultura mexicana en el siglo XX Carlos Monsiváis, 2010-02-09 En esta obra póstuma, Carlos Monsiváis, con su estilo y erudición únicos, recorre un siglo de la vida cultural de México, si bien, como él mismo confiesa, ésta es una tarea inacabable a la que además se suma la brevedad de la obra, que le obliga a cerrar su crónica en la década de 1980, dejando fuera los movimientos y creadores de los dos últimos decenios del siglo XX. Su recorrido parte de la época del modernismo y pasa por todas las manifestaciones culturales que se desarrollan a lo largo de las siguientes décadas, como la narrativa de la Revolución, el muralismo, la cultura en los años veinte, los Contemporáneos, la poesía de la generación del 50 hasta llegar al año de la ruptura que representa 1968 y las manifestaciones culturales que de él se desprenden.

The Theodosian Code and Novels, and the Sirmondian Constitutions Clyde Pharr, Theresa Sherrer Davidson, Mary Brown Pharr, 2001 Pharr, Clyde. The Theodosian Code and Novels and the Sirmondian Constitutions: A Translation with Commentary, Glossary, and Bibliography. [Princeton]: Princeton University Press, 1952. xxvi, 643 pp. Reprinted 2001 by The Lawbook Exchange, Ltd. LCCN 2001023441. ISBN 1-58477-146-1. Hardcover. * Definitive scholarly English translation of the Theodosian Code, which was the Code of laws that regulated Roman life at its apex before the era of Justinian. The structure and scope of this text illustrate the complexity of the legal system of this fascinating era and the ultimate fall of the Roman

empire. Marital law, adultery and inheritance; libel; the military; pardons; government administration; tax and tax appeals; fiscal law, debtors, and petitions; notification of suit; the secret service; land matters; gladiators, conscripted labor and compulsory public service, slavery and manumission, including the restriction of Jews against ownership of Christian slaves; the relationship of church and state and much more are covered. With thorough introduction, commentary, glossary, bibliography. Well-indexed.

Read Thread Cecilia Vicuña, Dieter Roelstraete, José de Nordenflycht Concha, 2017 From the 1970s to the present, Chilean artist, poet and filmmaker Cecilia Vicuña (b. 1948) work has used red thread to visually and poetically engage with rituals from Aboriginal Australia, South Africa, Paleolithic Europe and pre-Columbian America. Vicuña's performances, site-specific installations, paintings and drawings relate to the symbolic function of textile and language in terms of femininity, maternity and the support and continuation of life. Published on the occasion of Vicuña's installation in Athens for dOCUMENTA (14), *Read Thread* tells the story of the sanguine thread in Vicuña's work a kind of weaving-as-writing and conveys the tension of ecological disaster and reparation as well as a bodily sense of the cosmic scale of landscape, history and time. Alongside historical and recent documentation of Vicuña's large-scale installations, the softcover publication extensively illustrates her drawings, poetic texts and narratives relating the works to their political and historical context. Essays by dOCUMENTA (14) curator Dieter Roelstraete and art historian Jos de Nordenflycht Concha complete the book.

The Embattled Lyric Nathaniel Tarn, 2007 This book has two main subjects which are interwoven: the attitudes of selected poets (including Neruda, Rilke, Breton, Celan, and Artaud) to the primitive and the "archaic," studied from an anthropologist's viewpoint; and a model of the processes whereby poetry is produced and received, built on the author's successful careers as both poet and anthropologist. The book includes detailed biographical information about how Tarn went from being a French to an English to an American poet. It also reveals the effect of a double career and of these moves on a unique body of poetry and theoretical work. An extremely substantial interview, serving also as an introduction to, and discussion of, the essays, demonstrates that there is nothing like this work to be found elsewhere.

Let No One Sleep Juan José Millás García, Juan José Millás, 2022 After the IT firm where she works shuts down, Lucía has a vision of her future career as a taxi driver, brought on by the intoxicating opera floating through her apartment's air vent. She obtains her taxi license and meets the neighbor responsible for the music. Calaf, he says, is his name, also the name of the character from Puccini's *Turandot* and the name of the bird Lucía received on her 10th birthday from her long-since-dead mother. When Calaf moves out of her building, Lucía becomes obsessed, driving through Madrid and searching for him on every corner, meeting intriguing characters along the way. What follows is a surreal tale of superstition and coincidence, featuring Millás's singular dark humor. *Let No One Sleep* is a delirious novel in which the mundane and extraordinary collide, art revives and devastates, and identity is unhinged by the forces of globalized capitalism--

Right here, we have countless books **Do% C3% B1a Pudor** and collections to check out. We additionally offer variant types and next type of the books to browse.
