Daphne's Dive Quiara Alegría Hudes, 2017-09-29 In a tucked away corner of North Philly, six regulars gather at a neighborhood watering hole. Over twenty years, they turn their collective memories into a vivacious mythology. The tales they'd rather forget, however, keep sneaking up and tapping them on the shoulder. At Daphne's Dive, an aloe plant, a girl's sneaker, a stiff drink, and mounds of trash become talismanic treasures to a group of outsiders trying to be "in" together.

Teaching Translation from Spanish to English Allison Beeby Lonsdale, Allison Beeby, 1996 While many professional translators believe the ability to translate is a gift that one either has or does not have, Allison Beeby Lonsdale questions this view. In her innovative book, she demonstrates how teachers can guide their students by showing them how insights from communication theory, discourse analysis, pragmatics, and semiotics can illuminate the translation process. Using Spanish to English translation as her example, she presents the basic principles of translation through 29 teaching units, which are prefaced by objectives, tasks, and commentaries for the teacher, and through 48 task sheets, which show how to present the material to students.

World Literature, Cosmopolitanism, Globality Gesine Müller, Mariano Siskind, 2019-10-21 From today's vantage point it can be denied that the confidence in the abilities of globalism, mobility, and cosmopolitanism to illuminate cultural signification processes of our time has been severely shaken. In the face of this crisis, a key concept of this globalizing optimism as World Literature has been for the past twenty years necessarily is in the need of a comprehensive revision. *World Literature, Cosmopolitanism, Globality: Beyond, Against, Post, Otherwise* offers a wide range of contributions approaching the blind spots of the globally oriented Humanities for phenomena that in one way or another have gone beyond

the discourses, aesthetics, and political positions of liberal cosmopolitanism and neoliberal globalization. Departing basically (but not exclusively) from different examples of Latin American literatures and cultures in globalized contexts, this volume provides innovative insights into critical readings of World Literature and its related conceptualizations. A timely book that embraces highly innovative perspectives, it will be a mustread for all scholars involved in the field of the global dimensions of literature.

Madonna Confessions Guy Oseary, 2008-10-07 In conjunction with this summer's most talked about concert, Madonna's highly anticipated Sticky and Sweet Tour, powerHouse Books will release Madonna Confessions, the official book of quintessential images taken by über-manager Guy Oseary during the course of over 50 performances around the world during the Material Girl's sold out 2006 Confessions Tour. With over 250 never-before-seen images, the book showcases various provocative themes from that show including an iconographic equestrian opening to an urban Bedouin segment and on to glam punk and disco fever. The photographs celebrate what the New York Times called the sheer spectacularity of her physical form along with show stopping highlights and groundbreaking staging. Oseary, who is also Madonna's manager and has worked with her for the past twenty years, traveled with the artist and was given unprecedented access to each performance. As a result, the photographs in Madonna Confessions capture the essence, sheer energy, and excitement that came alive onstage every night. The photographs were each lovingly handpicked by Oseary and Madonna and are interspersed with quotes from Madonna. Long considered one of the most exciting live performers of our era, Madonna Confessions is a visual delight that highlights the multi-Grammy winner and Rock and Roll Hall of Fame inductee's astounding career. powerHouse is delighted to collaborate with one of the world's greatest live performers; Guy Oseary's exclusive access to each night's Confessions show allowed him the opportunity to capture unparalleled iconic moments in live performance photography. The intimacy and the sweep of the work put you front row center of an incredible experience. - Daniel Power, CEO of powerHouse Books.

The Second Chinese Revolution E. Bregolat, 2016-04-30 The Second Chinese Revolution explores some of the keys to understanding China, a country whose evolution already affects all of us. Beginning in 1978 - when China's GDP was only 6% of the USA's - the author takes us through the different aspects that have played a fundamental role in the country's change: China's eruption in world markets in the background of the West's economic crisis; its obsession with science and technology and its relentless march towards a 'knowledge society'; and a reassessment of the Tiananmen Square events of June 1989 and the ongoing debate on political reform. The book also includes a comparative analysis of the reforms in China and Russia in the last decades.

Memories, Dreams, Reflections Carl G. Jung, 2011-01-26 An eye-opening biography of one of the most influential psychiatrists of the modern age, drawing from his lectures, conversations, and own writings. An important, firsthand document for readers who wish to understand this seminal writer and thinker. —Booklist In the spring of 1957, when he was eighty-one years old, Carl Gustav Jung undertook the telling of his life story. Memories, Dreams, Reflections is that book, composed of conversations with his colleague and friend Aniela Jaffé, as well as chapters written in his own hand, and other materials. Jung continued to work on the final stages of the manuscript until shortly before his death on June 6, 1961, making this a uniquely comprehensive reflection on a remarkable life. Fully corrected, this edition also includes Jung's VII Sermones ad Mortuos.

MICHAEL JACKSON: J. Randy Taraborrelli, 2009-07-15 This major biography includes the behind-the-scenes story to many of the landmarks in Jackson's life: his legal and commercial battles, his marriages to Lisa Marie Presley and Debbie Rowe, his passions and addictions, his children; objective and revealing, it carries the hallmarks of all of Taraborrelli's best-sellers: impeccable research, brilliant storytelling and definitive documentation. So much has now been said and written about the life and career of Michael Jackson that it has become almost impossible to disentangle the man from the myth. This book is the fruit of over 30 years of research and hundreds of exclusive interviews with a remarkable level of access to the very closest circles of the Jackson family - including Michael himself. Cutting through tabloid rumours, J. Randy Taraborrelli traces the real story behind Michael Jackson, from his drilling as a child star through the blooming of his talent to his ever-changing personal appearance and bizarre publicity stunts.

The New Positioning: The Latest on the World's #1 Business Strategy Jack Trout, 1997-05-22 In the same right-to-the-point, no-nonsense style that was a hallmark of Positioning, this sequel squares off against critical marketing challenges such as how to make sure your message gets through in an era of information overload.

Yo Puedo Elizabeth Silvaggio-Adams, Ma. Del Rocío Vallejo-Alegre, 2021-06-30 Perhaps you remembered what the title of your book means from your previous experiences with Spanish. That is a great start! As you begin the equivalent of a second

semester Spanish course with these materials, some of you might think about how long it has been since you studied Spanish while others may come to the class with some background knowledge. We want you to know this book has been designed with many types of learners in mind. Our goals were to address the need for students to achieve the ability to communicate in written and spoken form. We sought to address a common statement by students that may have previous experiences, be they from secondary school or another college that say, I have studied Spanish for years and don't know how to speak or write it. We also sought to present a reasonable alternative to the expensive textbooks and online packages that don't seem to be practical or relevant. We sought to enhance second language learning by creating our own materials that take a new approach, the flipped classroom model, to learning a second language based upon the skills that we deem most useful and that will enable our students to confidently express themselves in Spanish-tú puedes con Yo puedo 2.

Upside Down Eduardo Galeano, 2014-05-13 From the winner of the first Lannan Prize for Cultural Freedom, a bitingly funny, kaleidoscopic vision of the first world through the eyes of the third Eduardo Galeano, author of the incomparable Memory of Fire Trilogy, combines a novelist's intensity, a poet's lyricism, a journalist's fearlessness, and the strong judgments of an engaged historian. Now his talents are richly displayed in Upside Down, an eloquent, passionate, sometimes hilarious exposé of our first-world privileges and assumptions. In a series of lesson plans and a program of study about our beleaguered planet, Galeano takes the reader on a wild trip through the global looking glass. From a master class in The Impunity of Power to a seminar on The Sacred Car--with tips along the way on How to Resist Useless Vices and a declaration of The Right to Rave--he surveys a world unevenly divided between abundance and deprivation, carnival and torture, power and helplessness. We have accepted a reality we should reject, Galeano teaches us, one where machines are more precious than humans, people are hungry, poverty kills, and children toil from dark to dark. A work of fire and charm, Upside Down makes us see the world anew and even glimpse how it might be set right. Galeano's outrage is tempered by intelligence, an ineradicable sense of humor, and hope. -Los Angeles Times, front page
