**Agnieszka Pikulicka-Wilczewska, Richard Sakwa**

Green Lantern Geoff Johns, Ron Marz, Alan Burnett, Sterling Gates, 2008 Written by Geoff Johns, Ron Marz, Alan Burnett and Sterling Gates Art by Dave Gibbons, Ethan Van Sciver, Pete Woods, Jerry Ordway, Mike McKone, Adriana Melo, Joe Prado and others Cover by Ivan Reis & Oclair Albert The action of The Sinestro Corps War story spills over into this volume collecting Green Lantern #18-20 (plus backup stories), Green Lantern Sinestro Corps Special #1 ((plus backup stories), Tales of the Sinestro Corps: Ion, Tales of the Sinestro Corps: Parallax, Tales of the Sinestro Corps: Cyborg Superman, Tales of the Sinestro Corps: Anti-Monitor, and Green Lantern Sinestro Corps Secret Files! Parallax, Anti-Monitor, and the Cyborg Superman are some of the most feared members of the brutal Sinestro Corps, an army assembled with one goal: to spread fear across the galaxy! In this hardcover volume, the layers of these complex villains are stripped away as readers learn why they joined the Sinestro Corps and what drives them to eradicate the Green Lantern Corps.

**Glaxo** Hernan Ronsino, 2017-01-17 Glaxo is a chilling novel of betrayal, romance, and murder, from a major Latin American writer being published in English for the first time. In a derelict town in Argentina's pampa, a decades-old betrayal simmers among a group of friends. One returns from serving time for a crime he didn't commit; another, a policeman with ties to the military regime, discovers his wife's infidelity; a third lays dying. And an American missionary has been killed. But what happened among these men? Spinning through a series of voices and timelines, Glaxo reveals a chilling story of four boys who grow up breaking horses and idolizing John Wayne, only to become adults embroiled in illicit romances, government death squads, and, ultimately, murder. Around them, the city falls apart. Both an austere drama and a suspenseful whodunit, Glaxo crackles with tension and mystery. And it marks the stunning English-language debut of a major Latin American writer.

**PhenomX #1** John Leguizamo, Joe Miciak, 2021-11-10 Wrongfully imprisoned and desperate to regain his freedom, Max Gomez agrees to become a subject in an underground government experiment. When the trial gives him phenomenal shape-shifting abilities, Gomez learns his new "freedom" requires surviving a superpowered war fought on the streets of NYC.

**The Aesthetics and Psychology of the Cinema** Jean Mitry, 1997 Mitry was driven to explain the why, what if, and how

come experiences that resulted after the wow experience in cinema. His theory uses psychology and phenomenology to understand how cinema can elevate the viewer from the everyday world.

**International Film Musical** Corey K Creekmur, 2013-01-11 A unique study of the film musical, a global cinema tradition.

**A Knight's Vow** Lynn Kurland, Patricia Potter, Deborah Simmons, Glynnis Campbell, 2001-09-01 Fantasies are made of knights in shining armor. Men whose ferocity in battle was tempered by a code of chivalry...whose passions brought them to their knees before the women they desired...whose loyalty and honor never wavered—and whose vows were never broken. These are the men of our dreams—and now you can find them in four breathtaking Medieval tales by today's most acclaimed writers of historical romance... In Lynn Kurland's *The Traveller*, a bedraggled knight makes a solemn vow to protect, defend, and rescue any and all maidens in distress—even those from Manhattan. A vow to marry for love transforms a marquis into a minstrel who must sing for his supper—and for a woman whose heart is true in Patricia Potter's *The Minstrel*. In Deborah Simmons' *The Bachelor Knight*, a forgotten vow comes back to haunt the greatest knight in all the land, when a fair maiden asks for his hand in marriage. Trapped underground with his unwilling betrothed, a determined knight vows to free her—body and soul in Glynnis Campbell's *The Siege*.

*The Dare* Harley Laroux, 2023-10-31 Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? *The Dare* is an 18+ erotic romance novella and a prequel to the *Losers Duet*. Reader discretion is strongly advised. This book contains graphic sexual scenes, intense scenes of BDSM, and strong language. A full content note can be found in the front matter of the book.

*Becoming Like God* Michael Berg, 2011-04 New in paperback, from the best-selling author of *The Way*, comes a revolutionary method for becoming all powerful. Written with extraordinary clarity, Michael Berg presents a logical approach to achieving our supreme birthright. In revealing this opportunity for humanity, Michael highlights ways to develop our natural God-like attributes and diminish the aspects of our nature that interfere with our destiny. In his succinct style, Michael provides the answer to the eternal question of why we are here: to become like God.

*Atlantis and Lemuria* Rudolf Steiner, 1997-11 This work tells the history and civilization of the submerged continents of

Atlantis and Lemuria, which are chapters from the Akashic records. Contents: from the Akashic records; our Atlantean forefathers; transition of the Atlantean into the Aryan root-race; Lemurian era; woman in the third root-race; humanity before the decision of sex; beginnings of sex duality, the origin of good and evil; man's first ancestors; first, or polar, race; second, or hyperborean, race.

Ascent to Glory Álvaro Santana-Acuña, 2020-08-11 Gabriel García Márquez's novel *One Hundred Years of Solitude* seemed destined for obscurity upon its publication in 1967. The little-known author, small publisher, magical style, and setting in a remote Caribbean village were hardly the usual ingredients for success in the literary marketplace. Yet today it ranks among the best-selling books of all time. Translated into dozens of languages, it continues to enter the lives of new readers around the world. How did *One Hundred Years of Solitude* achieve this unlikely success? And what does its trajectory tell us about how a work of art becomes a classic? *Ascent to Glory* is a groundbreaking study of *One Hundred Years of Solitude*, from the moment García Márquez first had the idea for the novel to its global consecration. Using new documents from the author's archives, Álvaro Santana-Acuña shows how García Márquez wrote the novel, going beyond the many legends that surround it. He unveils the literary ideas and networks that made possible the book's creation and initial success. Santana-Acuña then follows this novel's path in more than seventy countries on five continents and explains how thousands of people and organizations have helped it to become a global classic. Shedding new light on the novel's imagination, production, and reception, *Ascent to Glory* is an eye-opening book for cultural sociologists and literary historians as well as for fans of García Márquez and *One Hundred Years of Solitude*.

Heritage and Rights of Indigenous Peoples Manuel May Castillo, Amy Strecker, 2017 In 2007, the United Nations adopted the UN Declaration on the Rights of Indigenous People, a landmark political recognition of indigenous rights. A decade later, this book looks at the status of those rights internationally. Written jointly by indigenous and non-indigenous scholars, the chapters feature case studies from four continents that explore the issues faced by Indigenous Peoples through three themes: land, spirituality, and self-determination.

**Tribal Custom in Anglo-Saxon Law** Frederic Seebohm, 1902

**Rosa Enferma** Leopoldo María Panero, 2016 Canary Islands

*Remixing Reggaetón* Petra R. Rivera-Rideau, 2015-09-19 Puerto Rico is often depicted as a racial democracy in which a history of race mixture has produced a racially harmonious society. In *Remixing Reggaetón*, Petra R. Rivera-Rideau shows how reggaetón musicians critique racial democracy's privileging of whiteness and concealment of racism by expressing identities that center blackness and African diasporic belonging. Stars such as Tego Calderón criticize the Puerto Rican mainstream's tendency to praise black culture but neglecting and marginalizing the island's black population, while Ivy Queen, the genre's most visible woman, disrupts the associations between whiteness and respectability that support official

discourses of racial democracy. From censorship campaigns on the island that sought to devalue reggaetón, to its subsequent mass marketing to U.S. Latino listeners, Rivera-Rideau traces reggaetón's origins and its transformation from the music of San Juan's slums into a global pop phenomenon. Reggaetón, she demonstrates, provides a language to speak about the black presence in Puerto Rico and a way to build links between the island and the African diaspora.

*Ukraine and Russia* Agnieszka Pikulicka-Wilczewska, Richard Sakwa, 2016-05-19 The dangerous turmoil provoked by the breakdown in Russo-Ukrainian relations in recent years has escalated into a crisis that now afflicts both European and global affairs. Few so far have looked at the crisis from the point of view of Russo-Ukrainian relations, a gap this edited collections seeks to address.

*The Art of the Moving Picture* Vachel Lindsay, 1915

*Mothers Don't* Katixa Agirre, 2022-07-12 A writer about to give birth investigates the story behind a mother she knows who has just killed her own twins.

*The Impact of Women in Public Office* Susan J. Carroll, 2001-11-12 [A] well-integrated volume by...one of the best known political scientists working on women and politics.... [It] includes contributions by leading scholars in the field, and provides a well-written and accessible overview of the impact of women in office at every level... -- Pippa Norris, John F. Kennedy School of Government, Harvard University This [book] will be the standard-bearer not simply because it contains most of the early research in the field but more importantly, because of the wide-ranging scope and diversity of the research and the subsequently nuanced and contextualized arguments presented.-Beth Reingold, Emory University In recent years the numbers of women serving in public offices at various levels of government have increased markedly. Is the increasing presence of women in public office making a difference? Are women public officials having a distinctive impact on public policy and the political process? These questions are central to the studies in *The Impact of Women in Public Office*. These studies examine the impact of women public officials serving in various offices and locales at local, state, and national levels. They are the product of a large, coordinated research project sponsored by the Center for American Women and Politics (CAWP) at Rutgers University and funded by the Charles H. Revson Foundation. The subjects of these studies range from a single, very prominent U.S. Senator, who served in Congress from the early 1940s to the early 1970s, to local council members in a New Jersey county in the 1980s. They include state legislators from across the country. The research presented in this volume offers compelling evidence that women public officials do have a gender-related impact on public policy and the political process. Nevertheless, context matters; these studies demonstrate that the impact of women public officials varies considerably across political environments. Finally, the research in this volume suggests that identification with feminism and/or of particular racial or ethnic group also influence how and to what extent women public officials are making a difference. Contributors include Edith J. Barrett, Susan Abrams Beck, Janet K. Boles, Susan J. Carroll, Debra L. Dodson, Lyn

Kathlene, Elaine Martin, Nancy E. McGlen, Meredith Reid Sarkees, Janann Sherman, Sue Thomas, Sue Tolleson-Rinehart, and Susan Welch.

The Feminist Case Against Bureaucracy Kathy E. Ferguson, 1984 Like it or not, all of us who live in modern society are organization men and women. We tend to be caught in the traditional patterns of dominance and subordination. This book is both pessimistic and hopeful. With devastating thoroughness, the author shows how pervasive these patterns of relationship are in our work lives and personal lives, and how deep they run -- into the very language of the organization and of ordinary life. This is not a book about how women can succeed in business, but a criticism of books like those success manuals and notions like that idea of success. The author sees bureaucrats and clients as the 'second sex'. To fit in properly, they just learn the skills necessary to cope with subordinate status, skills that women have always learned as part of their 'femininity'. Liberal reforms -- placing more women in management positions, for example -- are not enough. What is required is the emergence of an alternative voice, one grounded in the experience and perceptions of women, that will challenge the patterns of control found in every aspect of modern life. Public discourse today is not the language of women even when women speak it. In this brilliant synthesis of the feminist literature and the literature on organizational theory and practice, the author suggests how a feminist discourse could interject into public debate a reformulation of the basic political questions of power, reason, and organization and thereby legitimate a concern of both autonomy and community. In the face of the massive incursions of bureaucracy into daily life, this is an important contribution to the project of human liberation.-- Publisher description.

**Supermadre** Elsa M. Chaney, 2014-07-03 The title of this book, Supermadre, is ironic. It means, not that women have begun to exercise real power in Latin American political life, but that their participation is mostly confined to roles that are extensions of their roles as mothers—health, education, welfare, for example—and then only on the lower levels of policy-making. Elsa Chaney begins her study with an examination of various attempts to explain women's virtual absence from decision-making councils not only in Latin America but also world-wide, concluding that their motherhood role has had the profoundest effect on the nature of their political activities. She then analyzes the images and realities of women in Latin American society from colonial times to the present. The remainder of the book is a detailed study of women in politics and government in Latin America, with emphasis on the contrasting cases of Peru and Chile. In conclusion, Chaney suggests that women will make only slow progress toward full participation in public life until they themselves stop seeing their role in politics as that of the supermadre.
