Narcoland Anabel Hernandez, 2013-09-10 The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

The Dare Harley Laroux, 2021-01-26 Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The freak, Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is

intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

Characters in Fictional Worlds Jens Eder, Fotis Jannidis, Ralf Schneider, 2011-01-01 Although fictional characters have long dominated the reception of literature, films, television programs, comics, and other media products, only recently have they begun to attract their due attention in literary and media theory. The book systematically surveys today's diverse and at times conflicting theoretical perspectives on fictional character, spanning research on topics such as the differences between fictional characters and real persons, the ontological status of characters, the strategies of their representation and characterization, the psychology of their reception, as well as their specific forms and constellations in - and across - different media, from the book to the internet.

SandStory Joe Castillo, 2014-01-29 In his teenage years, Joe Castillo developed a passion for using art to tell stories. Joe has told his "WordStories" to audiences for more than thirty years. He also created "ArtStory" presentations that combined those stories with illustrations drawn for live audiences. His newest adventure is "SandStory." Drawing in sand on a light table, he is able to tell stories to music. These fluid illustrations are seen by the audience as they watch the images projected on a large screen. "SandStory" went viral on YouTube, and hundreds of invitations from around the world crowded his calendar. It became a totally unexpected new career. Joe wrote down the crazy adventures he and his wife Cindy were having on the road. This book is the inside record of the fun, fascinating, inspirational, and exciting adventure of how sand changed his life.

Children in Reindeer Woods Kristín Ómarsdóttir, 2012 11 year old Billie lives in a 'temporary home for children', one afternoon, to her surprise, she discovers that it is the middle of a war zone. When a small group of paratroopers kill everyone who lives there and then turn on each other, Billie is forced to learn to live with the violent, innocent and troubled Rafael,

who decides to abandon the soldier's life and become a farmer. This haunting tale juxtaposes pastoral imagery with the terrors of war, creating a modern fable that exposes the absurdity of war.

Sissy Dreams: From Boyfriend to Girlfriend Paul Zante, Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Mirror in Parchment Michael Camille, 1998-11 What is the status of visual evidence in history? Can we actually see the past through images? Where are the traces of previous lives deposited? Michael Camille addresses these important questions in *Mirror in Parchment*, a lively, searching study of one medieval manuscript, its patron, producers, and historical progeny. The richly illuminated Luttrell Psalter was created for the English nobleman Sir Geoffrey Luttrell (1276-1345). Inexpensive mechanical illustration has since disseminated the book's images to a much wider audience; hence the Psalter's representations of manorial life have come to profoundly shape our modern idea of what medieval English people, high and low, looked like at work and at play. Alongside such supposedly truthful representations, the Psalter presents myriad images of fantastic monsters and beasts. These patently false images have largely been disparaged or ignored by modern historians and art historians alike, for they challenge the credibility of those pictures in the Luttrell Psalter that we wish to see as real. In the conviction that medieval images were not generally intended to reflect daily life but rather to shape a new reality, Michael Camille analyzes the Psalter's famous pictures as representations of the world, imagined and real, of its original patron. Addressed are late medieval chivalric ideals, physical sites of power, and the boundaries of Sir Geoffrey's imagined community, wherein agricultural laborers and fabulous monsters play a similar ideological role. The Luttrell Psalter thus emerges as a complex social document of the world as its patron hoped and feared it might be.

Ribalow Prize, the 2013 Sam Rohr Prize for Jewish Literature, the 2012 Costa First Novel Award, and the 2012 National Jewish Book Award for Fiction *** A smart and slyly funny tale of love, temptation, confusion, and commitment; a triumphant and beautifully executed recasting of Edith Wharton's *The Age of Innocence*. Newly engaged and unthinkingly self-satisfied, twenty-eight-year-old Adam Newman is the prize catch of Temple Fortune, a small, tight-knit Jewish suburb of London. He has been dating Rachel Gilbert since they were both sixteen and now, to the relief and happiness of the entire Gilbert family, they are finally to marry. To Adam, Rachel embodies the highest values of Temple Fortune; she is innocent, conventional, and entirely secure in her community--a place in which everyone still knows the whereabouts of their nursery school classmates. Marrying Rachel will cement Adam's role in a warm, inclusive family he loves. But as the vast machinery of the wedding gathers momentum, Adam feels the first faint touches of claustrophobia, and when Rachel's younger cousin

Ellie Schneider moves home from New York, she unsettles Adam more than he'd care to admit. Ellie--beautiful, vulnerable, and fiercely independent--offers a liberation that he hadn't known existed: a freedom from the loving interference and frustrating parochialism of North West London. Adam finds himself questioning everything, suddenly torn between security and exhilaration, tradition and independence. What might he be missing by staying close to home?
